01 ABOUT THE PROGRAM

Campus 24x7 is a cloud-based, mobile-first School & Campus Management platform that brings admissions, attendance, fees, examinations, transport, communication, HR and analytics onto one connected system.

The **Campus 24x7 Partner Program** lets consultants, education professionals, IT firms and anyone with relationships in schools earn by introducing institutions to Campus 24x7. You bring the school; we handle the demo support, onboarding, implementation, billing and ongoing service. You earn a commission on every payment that school makes in its first year.

Who Can Become a Partner

Individuals

Teachers, education consultants, trainers and freelancers with school networks.

Companies

IT service providers, book and uniform suppliers, and education vendors already working with schools.

Institutions & Groups

Trusts, associations and school groups that can recommend Campus 24x7 to member schools.

Anyone can apply. Every application is reviewed and approved by Campus 24x7 before partner access is given.

Why Partner With Us

High, Recurring Commission

30% to 40% of every payment from your schools for their first 12 months, whether they pay monthly or yearly.

Your Own Partner Console

Onboard schools, track their payments, and see your commissions and payouts in real time.

We Do the Heavy Lifting

Implementation, data migration, training, Go-Live and support are handled by our team, so you can focus on relationships.

02 HOW IT WORKS

From application to your first payout, the process is simple and fully tracked in your Partner Console.

1. ### Apply
   Submit your partner application with your name or company name, contact details, PAN and bank account details.

2. ### Get Approved
   Our team reviews your application. Once approved, you receive login access to your Partner Console.

3. ### Register Your Lead
   Before or when you approach a school, register it in the Partner Console. The first partner to register a school gets credit for it.

4. ### Onboard the School
   Onboard the school through your console. Our team takes over implementation, training and Go-Live support. The school receives the standard two months of complimentary access.

5. ### School Pays Campus 24x7
   The school pays its subscription directly to Campus 24x7, monthly or yearly, at our published prices.

6. ### You Get Paid
   Your commission on each payment is calculated automatically and transferred to your bank account within 7 days of the payment reaching us.

Direct leads are not eligible. If a school was already in contact with Campus 24x7 directly, or was already registered by another partner, before you registered it, no commission is payable for that school.

1. Eligibility & Approval

Any individual or company may apply. Campus 24x7 may approve or reject any application at its sole discretion without giving reasons. Partner status begins only after written approval and activation of Partner Console access.

2. Lead Registration & Attribution

A school is attributed to the partner who first registers it in the Partner Console. No commission is payable for a school that (a) was already in contact with Campus 24x7 directly, (b) was already registered by another partner, or (c) is or was already a Campus 24x7 customer, before your registration. Campus 24x7's records are final for deciding attribution.

Complimentary months, waived amounts and unpaid invoices earn no commission. No commission is payable on payments after the commission period ends.

Payouts may be delayed if bank or identity details are missing or incorrect, and are released once corrected. Amounts are rounded to the nearest rupee.

7. Refunds, Reversals & Adjustments
